

FRENCK-MESTRE, Cheryl Ann

Senior Research Scientist
National Center for Scientific Research (CNRS)
Laboratoire Parole et Langage,
Aix-Marseille Université,
5 av. Pasteur, 13100 Aix-en-Provence, Cedex 02
E-mail: Cheryl.Frenck-Mestre@univ-amu.fr
Web : aune.lpl-aix.fr/~frenck
Tél. +33. 04.13.55.37.46 (from outside France, drop the first 0).

Education

- **Jan 2000** **Habilitation à Diriger la Recherche** (Université de Provence)
- **Jan 1989** **PhD** (Université de Provence – now « Aix-Marseille Université »)
- **June 1984** **D.E.A. (Masters, 2cd year)** Université de Provence
- **June 1983** **Maîtrise. (Masters, 1st year)** Université de Provence
- **June 1982** **B.A., Psychology** (magna cum laude, Calif State Univ. Northridge)

Positions Held

- **2005 – 2012:** **Directrice de Recherche**, (Senior Research Scientist) CNRS, **France**
- **2004 – 2005** **Visiting Scholar**, University of Washington, **USA**
- **1991 – 2005** **Chargée de Recherche** (Junior Research Scientist), CNRS, **France**
- **1991** **Lecturer**, University of Dundee, **Scotland**
- **1990** **Contractual Researcher** (UMR 6561), Univ. Provence, **France**
- **1988 – 1989** **Visiting Assistant Professor**, Texas A&M University, **USA**
- **1984 – 1987** **Allocataire de Recherche (funded PhD candidate)**, Univ. Provence, **France**

Academic Responsibilities

- Member of the governing board (bureau) of Section 26 of the CNRS (2012 – 2016)
- Member of Section 26 of the CNRS (2012 – 2016)

Academic Societies

-Psychonomic Society -Neurobiology of Language -Cognitive Neuroscience Society, -European Society for Cognitive Psychology, -Association for Psychological Science

Teaching

- 1998 - now** **Université de Provence (France): Teaching in addition to research**
Cognitive Psychology, Psycholinguistics, Language Development, Methodology
- 1991** **University of Dundee (Scotland): Lecturer in psychology**
Psycholinguistics, Cognitive Psychology, Introductory psychology
- 1988 – 1989** **Texas A&M University (USA). Assistant Professor in Psychology**
Psycholinguistics, Cognitive Psychology, Introductory psychology, Methodology

SUPERVISION

Post-Doctoral

- **2014 – 2015 Brain and Language Research Institute (Aix-Marseille Université)**
Auréli Lagarrigue "The neural network of reading: Does writing help the brain accommodate for linguistic diversity?" Co-supervision : C. Frenck-Mestre & M. Longcamp
- **2009 – 2010 Université de Provence (Ecole Doctorale Cognition, Langage, Education)**
Elisa Sneed (Northwestern University, Chicago USA) "Neural underpinnings of clitic acquisition in L2 French"

PhD

- **2008 – 2013 Pauline Peri**
 - **Aix-Marseille Université** (Ecole Doctorale Cognition, Langage, Education : option psychologie expérimentale) "Acquisition des langues secondes: liens et interactions des processus de production et de perception de la parole." **Allocataire MRT (funded PhD)**
- **2007 – 2012 Haydee Carrasco**
 - **Aix-Marseille Université** (Ecole Doctorale Cognition, Langage, Education : option psychologie expérimentale) "Le rôle des indices phonologiques dans l'acquisition du Français langue seconde. » **Allocataire MRT (funded PhD)**
- **2004-2008 Alice Foucart.,**
 - **Université de Provence** (Ecole Doctorale Cognition, Langage, Education) joint degree with **University of Edinburgh** (Department of Psychology) "Grammatical gender processing in French as a first and second language". (Mention Très Honorable avec Félicitations du jury, composé de : F-Xavier Alario, Sonja Kotz, Maryellen MacDonald, Monique Vion, Holly Branigan & Cheryl Frenck-Mestre). (**Pan-European PhD grant**)
- **1998 – 2002 Steve Bueno**
 - **Université de Provence** (Ecole Doctorale de Psychologie option psychologie expérimentale).. "L'activation automatique de la mémoire sémantique" (Mention très honorable avec félicitations du jury, composé de J. Segui, M. Vion, K. McRae, D. Dubois & C. Frenck-Mestre)

MASTER I et II

- **2012 – 2014 Master II, Sciences du Langage** (linguistique expérimental) R. Cardinal "A pool is not a chicken ! En ERP investigation of interlingual homophones"
- **2011 – 2012 Master II, Psychologie** (psychologie expérimentale) J. Sampo "Le rôle du genre dans l'activation du lexique: Etude électrophysiologique"
- **2010 – 2011 Master I, Psychologie** (psychologie expérimentale) J. Sampo "L'activation de la phonologie pendant la lecture : Etude électrophysiologique "
- **2007 – 2008 Master II, Psychologie** (psychologie expérimentale) P. Peri "Le traitement des phonèmes étrangers chez les personnes bilingues : De la perception à la production. "
- **2006 – 2007 Master I, Psychologie** (psychologie expérimentale) P. Peri "La perception des phonèmes étrangers chez les personnes bilingues : Une étude ERP"
- **2006 – 2007 Master II, Psychologie** (psychologie expérimentale) H. Carrasco "Le rôle des indices phonologiques dans l'acquisition de l'accord adjectival en français langue seconde: Une étude ERP"
- **2005 – 2006 Master I, Psychologie** (psychologie expérimentale) H. Carrasco "Le rôle des indices phonologiques dans l'acquisition de l'accord verbal en français langue seconde: Une étude ERP"
- **2003 -2004 DEA de Sciences du Langage** (linguistique) A. Foucart "Le rôle du genre grammatical dans l'accès au lexique en langues maternelle et seconde: Données comportementales et électrophysiologiques.
- **2003 -2004 DEA de Psychologie** (psychologie expérimentale) N. Zardan "Etude de la lecture par les mouvements oculaires chez les enfants Trisomiques 21"
- **2002 – 2003 DEA de Sciences du Langage** (pathologie) Deveze "Traitement Cérébral de la Complexité Articulatoire: Etude en IRM Fonctionnelle
- **2001 – 2002 Maîtrise de Psychologie** (psychologie expérimentale) E. Jaloux "Le rôle du genre lors de l'accès au lexique en langue seconde et maternelle: une étude chez des bilingues portugais-français"
- **2000 – 2001 Maîtrise de Psychologie** (psychologie expérimentale) S. Lena. "L'accès aux sens dominant et subordonné des termes métaphoriques"
- **1997 -1998 DEA de Psychologie** (psychologie expérimentale) S. Bueno "L'activation automatique de la mémoire sémantique"
- **1996 – 1997 Maîtrise de Psychologie** (psychologie expérimentale) S. Bueno "Le traitement des

homographes interlexicaux chez des bilingues "

- **1996 -1997 Maîtrise de Psychologie** (psychologie expérimentale) S. Rera "La résolution de l'ambiguïté syntaxique chez les bilingues débutants, espagnol-français"

Participation in PhD vivas

- 2012** **PhD, University of Groningen**, Pays Bas (Department of Linguistics) **Hannecke LOERTZ**, "Uncommon Gender: eyes and brains, native and second language learners & grammatical gender" Director M. Schmidt. External Examiner and jury member. (Cheryl Frenck-Mestre, P. Dussias, Petra Hendriks)
- 2010** **HdR, Université de Paris, Descartes** (Mention Psychologie) **Frédérique ISEL** "The role of linguistic prosody in the processing of morphologically complex words in phrase and sentence contexts : Evidence from ERP studies" (jury composition: Cheryl Frenck-Mestre, Janet Fodor, Jukka Hyönä, Mireille Besson, Anne Christophe)
- 2007** **Thèse d'Université, Université de Poitiers** (Mention Psychologie) **Sophie GRIFFINI** "Les contraintes de sélection de l'auxiliaire « être » ou « avoir » : Etude à partir des déficits neuropsychologiques et de l'apprentissage de langue seconde." Director : François Rigalleau (jury composition: Cheryl Frenck-Mestre, Antonella Sorace, Jean Luc Nespoulous, Annie Cordier, François Rigalleau)
- 2007** **PhD, University of Groningen**, Pays Bas (Department of Linguistics) **Holger Christian HOPP**, "Ultimate attainment at the Interfaces in Second Language Acquisition: Grammar and Processing" Sous la direction de C.L.J. de Bot. External Examiner and jury member. (jury compose de Cheryl Frenck-Mestre, J. Koster, A. Sorace, F. Weerman, C.L.J. de Bot, B. Schwartz)

External Funding

- 2014** **Aix-Marseille International Collaboration Grant.** P.I. C. Frenck-Mestre (CNRS, France). Brain changes during language learning: Collaboration with A. Newman at Dalhousie University, Halifax (2.5KE)
- 2014** **Brain and Language Research Institute Research Grant.** P.I. C. Frenck-Mestre (CNRS, France) & M. Longcamp (Aix-Marseille Université) "The neural network of reading: Does writing help the brain accommodate for linguistic diversity?" (25KE)
- 2012** **France-Canada Research Fund.** P.I. C. Frenck-Mestre (CNRS, France) & Aaron Newman (U. Dalhousie, Canada) "Brain signatures of second language learning" (15KE)
- 2011** **Erasmus Mundus.** P.I. C. Frenck-Mestre (CNRS, France) 2 month research visit and collaborative work at Nanyang Technological University, Singapore
- 2010** **Conseil Régional (Regional City Council)** (25KE). "Eye movement studies of L2 acquisition" P.I.: C. Frenck-Mestre, Co-investigators P. Prince (The grant partially funded the purchase of an "Eye-link 1000 Tower" for my research laboratory).
- 2010** **Fonds Incitatif de Recherche (Incitatory Research Funds, U. Provence: Actions Spécifiques** (Specific Research Funds U. Provence (25KEuros). «Spoken language processing in native and second language » P.I.: Pauline Welby, Co-investigators: C. Frenck-Mestre, N. Nguyen, P. Blache
- 2009** **Fonds Incitatif de Recherche (Incitatory Research Funds, U. Provence).** (15KE). P.I.: C. Frenck-Mestre, Co-investigators P. Welby, N. Nguyen
- 2005 -2010** **National Institute of Health (USA)** "Electrophysiology of Language processes" P.I.: Lee Osterhout, Co-investigators: C. Frenck-Mestre, J. Herschensohn, A. Kim, J. McLaughlin
- 2005 -2006** **Institut de la Linguistique Française** (5KE) "Les voyelles du français: Variabilité adaptative en production et plasticité perceptive" P.I. : C. Meunier; Coinvestigateurs: C. Frenck-Mestre, J. Durand

- 2001 – 2003** **Programme Cognitique** (25KE). "Dynamique spatio-temporelle des processus impliqués dans la compréhension et la production du langage." P.I.: C. Frenck-Mestre and M. Besson)
- 2001 –2002** **Programme Cognitique** (50KE) "Densité des systèmes vocaliques et traitement cognitif des unités sonores dans différentes langues" (FNS2000 ; P.I. : C. Meunier, Co-investigateur C. Frenck-Mestre)
- 1997 – 1999** **Collaboration sur le projet CNRS-HCRC** (National Centre for Scientific Research and Human Communication Research Centre).
- 1996 -1997** **Programme Alliance** "Bilingual language processing" (96063; P.I.: C. Frenck-Mestre)
- 1994** **Programme Cognisciences** (94N870014; P.I.: J. Pynte; Co-investigateur: C.Frenck-Mestre)
- 1993** **Programme Cognisciences** (93N87-0028) P.I.: J. Pynte; Co-investigateur: C.Frenck-Mestre)
- 1992** **Ministère de Recherche et Technologie "Sciences de la Cognition"** (92.C.0402; P.I. : M. Besson, Co-investigateur: C.Frenck-Mestre)

Organization of Scientific Meetings

- 2013** **Architectures and Mechanisms of Language Processing** (<http://aune.lpl.univ-aix.fr/~amlap2013/>) International conference, 2-4 sept. 2013, Marseille, France. Organised by: C. Frenck-Mestre, X. Alario, N. Nguyen, C. Meunier & S. Desous
- 2011** **Aix-en-Provence Workshop on bilingualism** (<http://aune.lpl.univaix.fr/~bilingualworkshop/>) International conference, 12-14 sept. 2011, Aix-en-Provence, France Organised by: C. Frenck-Mestre, X. Alario, P. Prince & A. Foucart
- 2007** **Investigating the bilingual brain: evidence from behavioral, electrophysiological and imaging data** Symposium : European Society of Cognitive Psychology, Marseille France, Organised by: C. Frenck-Mestre
- 2004** **Architecture and Mechanisms of Language Processing (AMLAP)**. International conference, 16-18 sept. 2004, Aix-en-Provence, France Organised by: C. Frenck-Mestre, B. Hemforth & J. Pynte
- 2003** **Languages in Contact : from lexical access to the comprehension of humour** Symposium : European Society of Cognitive Psychology, Grenada Espagne, Sept. Organised by: C. Frenck-Mestre
- 2003** **Recent Studies of the Bilingual Brain: 4th International Symposium of Bilingualism**, Arizona (USA), March. Organised by: C. Frenck-Mestre & V. Marian
- 1997** **International Workshop on Psycholinguistic Aspects of Bilingualism** Aix-en-Provence, France, 20-21 mai, 1997. Organised by: C. Frenck-Mestre
- 1997** **Atelier de Conjoncture sur le Bilinguisme** Workshop held in Nice, France, 22-24 mai, (Société Française de Psychologie) Organised by: C. Frenck-Mestre et D. Gaonac'h
- 1994** **Fourth Workshop on Language Comprehension**. Workshop held in Giens, France, 12-14 mai, 1994. Organised by: J. Pynte, C. Frenck-Mestre & A. Kennedy
- 1992** **Language Perception and Comprehension: Multi-Disciplinary Approaches** Workshop held in Marseille, France, 14-18 juillet Organised by: M. Besson, P. Courrieu, C. Frenck-Mestre, A. Jacobs & J.Pynte

Editorial Activities

-Member of Editorial board:

- Bilingualism Language & Cognition (since 2008)
- Applied Psycholinguistics (since 2012)

-Acting Reviewer for:

Agence Nationale de Recherche (ANR, France) National Science Foundation (USA) National Institute of Health (USA)

Memory & Cognition, NeuroScience Letters, Brain and Cognition, Perception & Psychophysics, Brain and Language, Psychologie Française, Journal of Memory and Language, Psychological Science, Journal of Psycholinguistic Research, Psychonomic Bulletin and Review, Quarterly Journal of Experimental Psychology; Psychophysiology; Second Language Research

PUBLICATIONS

Journal articles

- Sneed, E., Herschensohn, J., & **Frenck-Mestre**, C. (under revision). Online processing of clitics as revealed by ERPs. *Journal of Neurolinguistics*
- Carrasco, H., & **Frenck-Mestre**, C. (under revision). Phonological and orthographic cues enhance the processing of inflectional morphology. ERP evidence from L1 and L2 French. *Frontiers in Psychology*

Invited Plenaries

- 2013** **Frenck-Mestre, C.** Models of second language processing: Psycholinguistic and Neurolinguistic perspectives. **Penn State, USA Seminar Series:** The Centre for Language Science, 24 -26 April,
- 2011** **Frenck-Mestre, C.** Neural changes associated with grammatical competence in late acquisition . Variation in first and second language acquisition : comparative perspectives. **Paris, France**, 6-8 juin, Plenary Speaker
- 2011** **Frenck-Mestre, C.** Neural signatures of first and second language processing. New Year's Day Talk. Radboud University, School of Cognitive and Behavioural Neuroscience. Groningen, Holland, February 17. Keynote speaker.
- 2009** **Frenck-Mestre, C.** L'apprentissage des nouveaux contrastes vocaliques chez l'apprenant adulte: L'apport des potentiels évoqués. Neurosciences et apprentissage octobre 6-8, Paris, France. Plenary Speaker.
- 2009** **Frenck-Mestre, C.** Neural processing of grammatical gender. Grammar in context, foreign language acquisition and teaching: the noun phrase, Université Paris 8. June 30. Paris, France. Plenary Speaker
- 2009** **Frenck-Mestre, C.** Influences of the L1 and of phonology on acquiring inflectional morphology. Eye-to-IT conference on translation processes, Copenhagen, Sweden, April

Invited Seminars, workshops

- Frenck-Mestre, C. (2014).** The interaction between phonology and semantics in late bilinguals: Evidence from ERPs. McGill, Canada, 13-14 May
- Frenck-Mestre, C. (2013).** Syntactic processing in a late learned language. **Rutgers, USA**, 22-23 April
- Frenck-Mestre, C. (2007).** The role of phonology in learning morphosyntax in L2 French. Workshop on Language Processing in First and Second Language Learners, **Nijmegen, Holland**, 23-25 nov.
- Frenck-Mestre, C. (2006).** Evolution of language capacities in a non-native language: Behavioral and electrophysiological evidence of syntactic processing. Rovereto Workshop on "Bilingual Sentence Processing: Functional and Neural Perspectives", **Rovereto, Italy**, 28 Sept – 01 Oct
- Frenck-Mestre, C. (2004).** Processing of grammatical gender in French as a first and second language: behavioral and electrophysiological evidence. European Science Foundation Workshop on Language Processing in First and Second Language Learners, **Essex, England**, 16-19 déc.
- Frenck-Mestre, C. (2005).** Evolution of language capacities in a non-native language. Max Planck Institute for Human and Cognitive Brain Sciences, **Leipzig, Germany**. 22-24 nov.
- Frenck-Mestre, C. (2004).** Etude du réseau cérébral impliqué lors de l'articulation, en langue maternelle et seconde : Institut de la Communication Parlée, Grenoble, France, 25 mars.
- Frenck-Mestre, C. (2004).** Les capacités langagières de l'individu bilingue: de la perception à la production. Laboratoire Dynamique du Langage, **Lyon, France**, 17 février.
- Frenck-Mestre, C. (2004).** Etude psycholinguistique du sujet bilingue. Réseau Thématique Européen "Langage et Cognition", Laboratoire Jacques Lordat, **Toulouse, France**. 16-17 janvier.
- Frenck-Mestre, C. (1998).** Evolutionary changes in second language reading. Fifth European Workshop on Language Comprehension, Marseille (Luminy), France, 2-4 avr
- Frenck-Mestre, C & Pynte, J. (1997).** Reading in the second language: Native language influences and second language strategies. International Workshop on Psycholinguistic Aspects of Bilingualism, **Aix-en-Provence, France**, 20-21 mai.
- Frenck-Mestre, C. (1998).** Syntactic ambiguity resolution in a first and second language, Seminar Series, Centre for Cognitive Science, and Human Communication Research Centre, University of Edinburgh, **Edinburgh, Scotland**, March 26th
- Frenck-Mestre, C. (1995).** Mouvements oculaires et lecture. Hôpital Nord, **Marseille, France** 13/12
- Frenck-Mestre, C. (1995).** Perception visuelle et langage. Perception et Langage, **Toulouse, France**: 16-18 June.
- Frenck-Mestre, C. (1993).** L'étude expérimentale du langage naturel: Apports bilingues et monolingues. Judis du CNRS, Département des Sciences de la vie. **Paris, France** 15 juillet

Refereed oral presentations

- Frenck-Mestre, C (2013).** Native Language Influence on Second Language Acquisition. International Congress of Linguists, 21-27 July, Geneva, **SWITZERLAND**
- Frenck-Mestre, C., Sampo, J., & Bueno, S. (2012).** Grammatical gender does not constrain lexical access: Evidence from ERPs and behavioral results. Mental Lexicon Conference, 24-26 Oct., Montreal, **CANADA**
- Frenck-Mestre, C., Carrasco, C & Sneed, E (2011).** Qualitative differences in semantic processing during native and non-native sentence comprehension as revealed by ERPs. 52cd Annual Meeting of the Psychonomic Society, 3-6 Nov., Seattle, **USA**
- Frenck-Mestre, C. (2010).** Using phonological cues to process syntactic agreement during native and second language sentence processing: Evidence from ERPs. Workshop on "Brain, Speech and Orthography", 15-16 Oct, Bruxelles, **BELGIUM**
- Frenck-Mestre, C., Carrasco, C & Sneed, E (2010).** To revise or not to revise? What the P600 can tell us about semantic processing in both native and non-native sentence comprehension. Workshop on Neurobiology of Bilingualism, Sept. 30-Oct 2 : Donostia, **SPAIN**
- Frenck-Mestre, C., Peri, P., Meunier, C., Espesser, R. (2010).** ERP evidence of the acquisition of non-native contrasts in late learners. New Sounds, April 30 -May 3: Poznan, **POLAND**
- Frenck-Mestre, C., Carrasco, C & Sneed, E. (2009).** Morpho-syntactic processing (difficulty) in a late learned language: what does the N400 tell us? Architecture and Mechanisms of Language Processing, Sept., Barcelona, **SPAIN**
